“My best memory being a Coyote Leader was singing at campfire with my cabin group. It’s a great program that allows you to get out of your comfort zone and teach kids valuable skills.”

- Ellis “Moose”

High school students in grades 9-12 are encouraged to apply. Coyote Leaders run essential parts of our overnight Outdoor School programs for 5th & 6th-grade students, assisting with field studies by leading small group labs and engaging with students during games and campfire programs.
